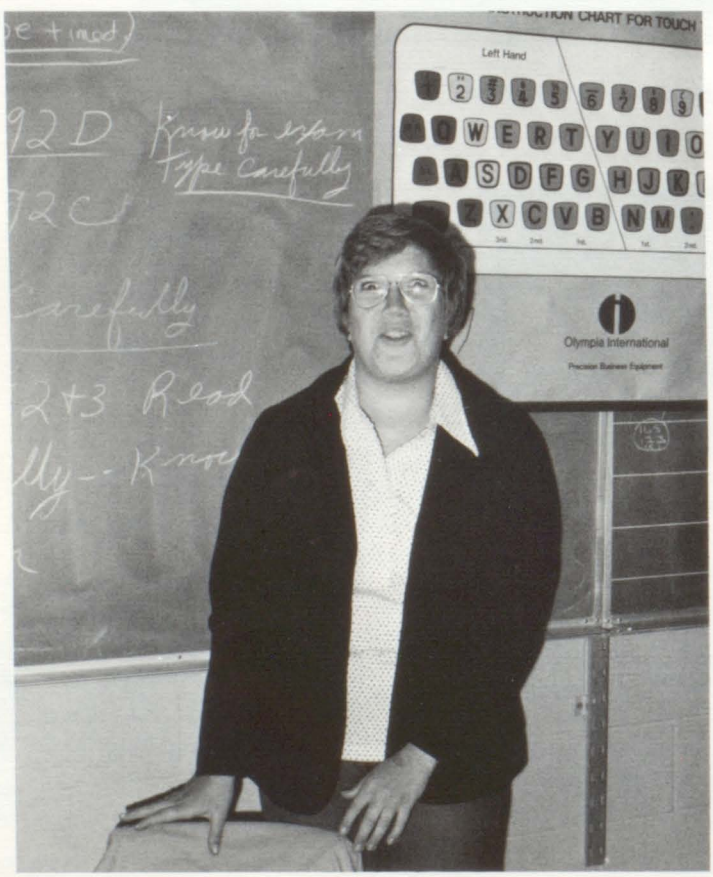
The Senior Class of 1978 wish to dedicate the yearbook of "77-78" to Miss Cheryl Lord who has given her time to help us in all of our projects that we have undertaken.

Thanks for everything
Class of "78"



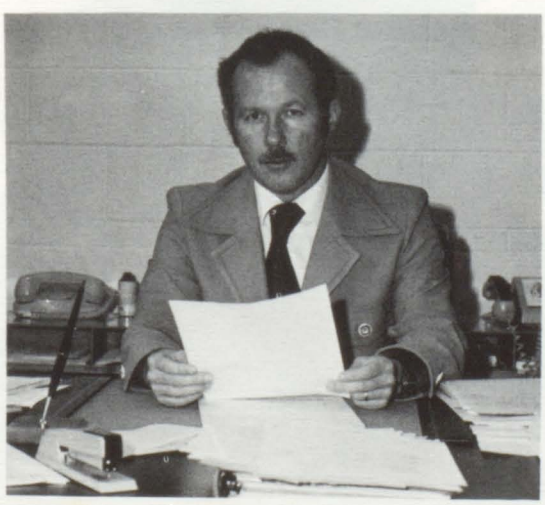
TEACHER OF THE YEAR

A MESSAGE FROM THE PRINCIPAL

During the past four years, you have worked to meet Telstar's goals and standards. Now that you have graduated, you have a tougher challenge. Instead of meeting Telstar's goals and Telstar's standards, you must set your own goals and your own standards. I hope that your years at Telstar prepared you for this challenge that awaits you.

Keep working hard, keep striving, and good luck to each of you in the future.

DR. WAYNE GERSEN



A MESSAGE FROM THE SUPERINTENDENT

Telstar High School offers students many opportunities to explore academic, vocational and social interests. Ten years from now when you dust your bookshelves you will hopefully look back at your high school years as having been beneficial to you.

The problems associated with the transition from school to the world of work are being addressed for the first time in SAD #44. I doubt if we can solve all the problems however, I do believe that with your cooperation and that of the local employers we can, over a period of time, ease the transitional problems. Keep in touch with your high school so that we can learn from you.

Brown Not Retiring

BETHEL — Hilda Brown, director of the hot lunch program in Maine School Administrative District 44 is not retiring nor does she plan to.

In an article concerning an open house at the school for Mrs. Brown honoring her for 20 years of service it was incorrectly stated that she was retiring.

Barbara Young (Manager)

Bethel Party Honors Hilda Brown

BETHEL — An open house was held in the cafeteria of Telstar High School, Sunday, for Mrs. Hilda Brown to celebrate her 25 years of service with the SAD 44 Hot Lunch Program. Mrs. Brown started work with the Hot Lunch Program in 1958 at the Crescent Park School and went to Telstar High School in 1968 as director of the District 44 program.

The open house was planned by the girls employed in the program and they also presented Mrs. Brown with 20 red roses, one for each year. She also received a money tree. A decorated cake was made by Mrs. Madeline Sanborn of Fryeburg. Refreshments of punch, coffee and sweets were served to the more than 50 guests who attended.

Mrs. Brown said she enjoyed the work and the direct contact she had with so many children. She said children had not changed over the years as much as had the attitudes of the parents. They had just been given more money, more freedom from parental control but they were still darn nice kids.

HOT LUNCH

Thanks Hilda
